

Integration Committee

The Integration Committee strives to ensure the successful integration of children from different cultures in Burgdorf schools.

As parents, you can contact the committee in order to

- ask questions about school.
- tell the committee about something you could do for the school.
- tell the committee what your children need to feel comfortable at school.
- tell the committee what you, as parents, need to help your child feel comfortable in school.
- talk about problems with school.
- obtain information about programmes for parents and families.
